

nonprofit, independent sector. The contributions made by nonprofit institutions to our society in the areas of education, health, disaster relief, the advancement of knowledge and the preservation of our history and cultural artifacts is vast. I daresay it is often not fully understood or appreciated, particularly the extent to which nonprofit institutions perform functions that are typically governmental undertakings in other societies. Nonprofit institutions are a part of our culture that we should take care not to lose, and government has a role in insuring that they thrive. The legislation we introduce today is a part of that role.●
